acclaim or have been extensively reprinted and remain available in ebook format. His name is "Artemis Fowl" (awesome name
by the way) and he is an Irish or Scottish descendant from the Mayans. He is also the illegitimate son of a fairy princess from
another land called Fowl Manor. Favourite Book of the Month - Explore our choice of the best book of the month. Remember,
all books are now available to download in ebook format! If you're looking for a new science fiction novel to read then try one
of our recommendations, listed below. Ebook The He has designed a machine that can turn people into fairies or humans. He
also gives a quest in the form of a holographic message from an old friend on the internet. This is to retrieve a laptop with the
same password as he has forgotten. Artemis follows the holographic message and meets up with the old friend. His character is
mostly based on James Bond. They discuss the fairy people, the fugitive Fowl and Fowl Manor. The Fowl Manor is visited by
two women; a Fae named Holly Short and Irish police officer Butler. He is revealed to have been secretly working with Butler's
mother in a plot to seize Fowl Manor. Pages They proceed to follow Holly's father to a house in Scotland. The company, led by
Holly's father, plans to use his technology to bring back an ancient civilisation. The Fowl family is kidnapped by the terrorists to
